Sometimes when things start the lubricated to facilitate swiftness. It had been arranged that doe Thompson was bego to a distant city, in due time, to take a place in business with a maternal nucle who was the head of a known a care, and she might have been boiled for Easter eggs!-Golden Days. great manufacturing establishment. A interly spoiled but for a refined concontingency had arisen in the establishment that made it necessary for him to start on the Monday morning, suc-

ceeding Easter Sunday, in obedience to a sudden message. On his way, in the early morning, to the village where he was to take passage, Joe called at Chinquapin Hill to say "good-hy," and also, let us hope, to apologize to Julie for his almost brutal words of the Saturday before. Julie was ill and not knowing that he was going so far away so suddenly did

not see him. Love is exceedingly sensitive and is eminently powerful in constructing mountains from mole hills. Joseph Thompson, as he pursued his vay, numinating upon the subject, oncluded, of rourse, that Julie was augry with him, when, indeed, she had never been angry in her life, though truth to tell, slot was still suffering from the blow he had given. He made some poor excuses for himself to himself, but the foundation that upheld him

in it all was that he would smooth matters over, if necessary, ln his letmer. Besides; Mr. Joseph Thompson felt very much elated, somewhat conceited and altogether self-satisfied, as In disser frock," declared the negress, then satolown with her on his lap and stances. He felt proud, indeed, to think that the city could not, very well, get added. It transpired that the inexperienced

nucle's business not closely enough.

The story is so old that to repeat it to speak of its commonplaceness. Joe's sperits pootier n' her, den 1 jis' clim' For answer to this Julie turned her letters were just like all such letters up der de wall 'n' peek at 'em." pace that kills. Joe's dismissal from "Never mind, honey," John con-his uncle's service brought him a continued, "I'm going to give you earte sciensness of disgrace. He went else-She tross and giving John the tiniest kiss on the ear—or somewhere in that neighborhood—vanished in her gentle way.

mental novel. The heroine doesn't last year I have been induced to rent for another year the Harry Wickes Driving Well, the modern society povel, in Park. I have the best track in the count which the heroine marries for money, is and I humbly ask for my share of the patronage of my friends. My terms are reaonable. Having had o years experience in driving and breaking horses I feel that l can give satistaction in what you entrust to me.

D. S. WILCOX. Moberly, Madison county, Ky.
